Our Books of The Week: Sammy Spider's First Hanukkah and Celebrate Hanukkah

Maths Focus: Numeral formation and sorting

Phonics Focus: Introducing sound 'n' (Phase 2). Practising early blending and segmenting using previously learnt letters.

Literacy Focus: Talking about characters, describing similarities and differences between different celebrations

Announcements & Reminders

Tapestry: We have had so much lovely feedback about Tapestry from parents and children! If you are still having trouble logging in, please speak to your child's class teacher.

Lots of parents have been commenting on observations and some have even uploaded their own from home!

Toys from home: Please remind your children not to bring toys from home into Nursery as they may get lost and we know how special they can be.

Wacky Woody: If you have not yet signed the permission slip through Parent Pay please do so as soon as possible. This is a requirement in order for children to watch the performance.

Facebook Group: We have set up a Facebook group for Nursery parents to join if they would like to- [click here](#).

Speech & Language Support- As Christmas is just around the corner and you may be thinking of buying gifts for your little ones, [here are some suggestions](#) for toys that help with the development of communication skills!

Fortnightly Family Task

Name writing:

We have been focussing a lot on the children practising writing their names and the initial sound of their names. Please could you have a go at this at home? This does not need to be done using a pencil, you could encourage your child / children to write their name using chalk or a paintbrush and water. It could also be done with a marker pen or using shaving foam. Have fun!

If you have any questions please speak to your child's class teacher.
