About our hospice

St Ann's Hospice is a charity which cares for thousands of people with life-limiting illnesses every year. The hospice provides a free service to patients, carers and their loved ones from three sites in Greater Manchester, and a range of outreach services, supporting patients in the local community and their own homes.

Around a third of St Ann's funding comes from the NHS, the rest from donations and the kind support of people who raise money to help patients and their families.

The Christmas tree collection in aid of St Ann's Hospice is run entirely by local volunteers. In January 2019, we collected 2,234 Christmas trees which raised £29,472.65.*

St Ann's Hospice received £24,047.65 and the remaining £5,425.00 was donated to local charities.

We are hoping to collect more than 3,000 trees in January 2020. Please help us to reach this target. Simply visit the website to register your tree, then leave it outside your house for our wonderful volunteers to collect between the 10th – 12th January 2020. Thank you.

*after costs and including Gift Aid.
