Parents of Oswald Rd Primary,

Just a quick letter to introduce myself and inform you of a couple of meetings.

My name is Aron Thornley. I work in the Buzz Manchester team. We are a team based in Manchester supporting local people to start up new activities/projects in their local area. Our work is described as health-based because increasingly we recognise that people are healthier when they are doing things/activities that they enjoy doing, and sometimes this will be alongside other people.

But essentially we are a community development team. I have a budget that I am using to fund start-up projects.

I spoke briefly with the staff at Oswald Rd Primary recently and agreed it would be really nice to meet up with some of you to discuss any ideas you might have for your local area. We are prepared to support a wide range of activities and projects.

Please come along to one of the two scheduled meetings below (both will take place at the school) if you are interested in what our team are up to, or if you have any ideas, thoughts or opinions about what's going on in Chorlton, and what we could do to make it even better !

**Wednesday 5<sup>th</sup> February – 4pm**

**Friday 7<sup>th</sup> February – 9.15am**

Hope to see you there.
