

16th March 2020

Dear Parents/Carers,

Coronavirus Update

We have taken the decision this morning to stop all external visitors coming into school unless absolutely necessary. As a result, we are cancelling all afterschool clubs run by external providers until further notice. This includes Musical Theatre, Singing, We Are Adventurers, SportsPoint, French, Creative Writing and Marvellous Maths.

As they are run by school staff members, Kieran's sports clubs (Reception Multisports, KS1 Football, KS2 Invasion Games, KS2 Football) and Netball and Girls' Football will still go ahead as normal.

To avoid heavy levels of traffic in the foyer area, we are going to be dismissing children from these afterschool clubs in the playground. This will start today (Monday 16th March) and continue until further notice.

Owl Club will be releasing their children via the side door by the hall, so please access this via the gate on Nicolas Road. No parents will be permitted to come through the main entrance to collect their child from a club. Those dropping off at Early Birds will be asked to drop their child off at the usual door, rather than bringing them into the building.

As mentioned in the email we sent out to all parents on Friday, we are preparing work for children to do in case of school closure due to Coronavirus. This work will be web-based, therefore we are asking parents to let us know if they do not have access to the internet at home and we will try our best to provide non-web-based work for your child to do in the event of a school closure. Please contact Ellie Linton in the school office if you do not have access to the internet at home.

Finally, it is very important that we have up to date contact details for all parents/carers so that we can continue to keep you informed on any new developments. If you have a new telephone number or email address and have not informed the school office, please do so as soon as possible.

Kind regards,

Deborah Howard
Headteacher
