Dear Parents/Carers,

Court Orders, Care Orders, Special Guardianship Orders & Private Fostering Agreements

An important reminder that if there are any court orders, care orders, special guardianship orders or private fostering agreements relating to your child, it is the parent/carer's responsibility to ensure that school is provided with the most up-to-date information and paperwork.

School will not be able to implement any measures outlined in plans without evidence of the relevant order/agreement. If there are any changes made that we have not been made aware of, school cannot be held responsible for any actions that go against the current order/agreement.

Please contact Amanda Clifton (details below) to provide an up to date copy of any agreements, no later than Thursday 1st April.

Kind regards,

Amanda Clifton
