

30th March 2021

Dear Parents/Carers,

Update on Year 6 Residential

We are writing to let you know that, unfortunately, the Year 6 Robinwood residential has had to be cancelled. We have spoken to the centre and they have said that, although they won't have official confirmation on the relevant guidance until after Easter as to whether or not visits can go ahead on the dates we have booked, they have made the decision to cancel all bookings around this date and issue a refund on the deposit.

We will therefore be refunding all deposits later this week via ParentPay.

Unfortunately there is no availability at Robinwood at all later in the year for us to postpone our booking to a later date.

We are looking into an alternative trip that we can offer to Year 6 instead, however this will not be a residential- given the uncertain nature of this type of trip we do not want to risk booking another one only to have it cancelled again with no time to arrange an alternative enrichment experience. We should also add that, given the uncertainty of the easing of restrictions, anything we do book does still remain at risk of being cancelled depending on government guidelines.

We understand how disappointing this news will be for the children, however please be reassured we will do everything we can to make their last few months at Oswald Road as special as possible.

Kind regards,

Kat Rowe, Wendy Gibson & Farah Saleem
