

28th April 2021

Dear Parents/Carers,

School Streets- Road Closure

On Friday 21st May we will be holding our first ever 'School Streets' event. This will involve closing the section of Nicolas Road outside the school gates to through traffic between 8:00am-9:30am and 2:30pm-4:00pm on the day. See map below for further clarification:

Inspiration & Success

The aim of closing Nicolas Road that day is to:

- Raise awareness for children, teachers and parents of the health implications for young people caused by high levels of air pollution and traffic outside our school.
- Involve children, teachers and parents in a fun, symbolic day of action with an opportunity for children to walk to and from school together in a traffic-free space
- Encourage everyone to think about how they travel to school. We hope that closing the road to through traffic will make it easier and safer to walk, cycle or scoot the school run to create a healthier, safer and cleaner environment around the school and local community.

Important safety information

- During the road closure, parents/carers remain responsible for their children as on any other day. You must stay to supervise your child.
- Please support us by travelling actively to and from school – walk, cycle, scoot or travel by public transport. If you do need to use a car for the school run, we ask you to park a short walk away.

Can you help?

We are looking for parent volunteers to help out with our staff stewards on the day. If you are able to help out, please email admin@oswaldroad.manchester.sch.uk

Kind regards,

Ellie Linton
Communications and Marketing Manager
