

# STUDENT'S WEEKLY

Read all about useful home-school links, dates,  
On this Day, the star teacher, the recipe of this  
week and games and puzzles.

## Useful School Links!

<https://youtu.be/d3LPrhI0v-w> - Joe Wicks workout for kids

<https://www.bbc.com/education> - BBC Bitesize. Select KS2 or the specific subject

<https://www.thenational.academy> – Oak National Academy

<https://web.seesaw.me> – Seesaw Online

<https://www.bbc.co.uk/newsround> - Newsround. Select any videos or articles.

<https://kahoot.it> – Kahoot. An online quizzing website where you can make or play quizzes with your family.

*Dates!*

20/6 – Father's day

21/6 – Summer Solstice

20/6 – Wimbledon starts

19<sup>th</sup> June

On June 19<sup>th</sup>, 1910, Father's Day was founded.

A red, rounded rectangular graphic with a slight 3D effect and a white border, tilted slightly to the right. It contains the text "Star Teacher" in a black, cursive font.

*Star Teacher*

# Mr Burton

Mr Burton is a cover teacher and teaching assistant.

Whenever he covers our class, I like it because we do fun things and go outside.

He is fun and supportive, and always gives you good feedback on things, along with some constructive criticism to help you.

## Recipe of the week!

### Cloudy Lemonade

#### Ingredients

- 6 – 8 large lemons
- 150g caster sugar
- 1 litre cold water (still or sparkling)
- plenty of ice cubes

#### Method

1. Add all the sugar and enough water to just cover it to a small saucepan and simmer over a low heat until all the sugar has dissolved. Remove from the heat and allow to cool.
2. Juice all the lemons and remove any stones. If you prefer your lemonade with no pulp, pass the juice through a sieve at this stage.
3. Add the cooled sugar syrup, lemon juice and cold water to a large pitcher and stir to mix. Serve over ice or store in the fridge for later

# Games and Puzzles

Remember, if you have a competition entry, a joke, riddle or even a suggestion, just pop it in the box outside Mrs Howard's office along with your name and class.

## JOKE TIME!

Why do bees have sticky hair?

Because they use honeycombs!

## BOOK/MAGAZINE REVIEWS!

Aquila Magazine

Aquila is a fantastic magazine which explores a very diverse range of topics.

Each month, there is a new theme, for example: Ancient Egypt, Detectives, The Amazon, Discover Dogs etc.

The team that write it are funny and offer challenging ideas in their articles. Their names are amusing: Calculata, Aquila, Polly, Harvey, Wordworm, EB, Pepe the dog and Ian the cat.

I love Aquila because of the variety of articles they produce and the different approach to learning.

I give this 5/5 stars.
