Day

17/7 – World Emoji Day

On This Day!

4th July

On 4th July, it is Independence Day in the USA. They set off fireworks and enjoy the day.

Star Teacher

Mrs Hickman

Mrs Hickman is a teacher who is currently in Year Two.

I remember when she and Mrs Savage taught us in year two and I enjoyed it so much!

She is so kind and caring and really helps to push you.

Cloudy Lemonade

Ingredients

- 6 – 8 large lemons
- 150g caster sugar
- 1 litre cold water (still or sparkling)
- plenty of ice cubes

Method

1. Add all the sugar and enough water to just cover it to a small saucepan and simmer over a low heat until all the sugar has dissolved. Remove from the heat and allow to cool.
2. Juice all the lemons and remove any stones. If you prefer your lemonade with no pulp, pass the juice through a sieve at this stage.
3. Add the cooled sugar syrup, lemon juice and cold water to a large pitcher and stir to mix. Serve over ice or store in the fridge for later

Remember, if you have a competition entry, a joke, riddle or even a suggestion, just pop it in the box outside Mrs Howard's office along with your name and class.

JOKE TIME!

Why do bees have sticky hair?

Because they use honeycombs!

BOOK/MAGAZINE REVIEWS!

Aquila Magazine

Aquila is a fantastic magazine which explores a very diverse range of topics.

Each month, there is a new theme, for example: Ancient Egypt, Detectives, The Amazon, Discover Dogs etc.

The team that write it are funny and offer challenging ideas in their articles. Their names are amusing: Calculata, Aquila, Polly, Harvey, Wordworm, EB, Pepe the dog and Ian the cat.

I love Aquila because of the variety of articles they produce and the different approach to learning.

I give this 5/5 stars.
