

8th July 2021

Dear Parents/Carers,

Tapestry Learning Journal - A memory of your child's achievements

Time has flown so quickly and
you've all grown so fast,

I can't believe this year has gone
and is now in the past.

We've shared so many lovely times,
with fun along the way,

You learnt to do so many things
and you've had so much time to
play.

It's been so tough for all of us a
year we'll not forget about,

So remember you're fantastic; a
little shining star,

Go forward and just be yourself,
just perfect as you are!!!

Dear Parents/Carers,

As your child has reached the end of their Early Years journey,
we would like to give you the opportunity to retain a record of
their wonderful achievements and learning.

Your child's tapestry learning journal will be available to
download as a pdf document until 15th August 2021. This means
you will be able to keep an electronic copy of your child's journal
and you may also then choose to print paper copies should you
wish to do so.

To enable you to do this, please follow the instructions below:

1. Log in to your child's journal as normal with username
and password.
2. Select pdf.
3. Download pdf.

**A huge THANK YOU from us all. We have never had to rely so
heavily on virtual engagement as we have this year. It has been
an absolute pleasure working in partnership with you all and
we couldn't have done it without you all.**

Kind Regards

Reception Team
