Dear Parents/Carers,

## Handle with Care

As we start transitioning into a new term we just wanted to send out a reminder about the resources on our website that you might find useful over the next couple of weeks -

Amanda Clifton our Pastoral and Health Manager also offers virtual drop-ins if you feel you would like to access further support around your child's social emotional mental health and wellbeing or family support. Please email Amanda directly to book an appointment slot.

This year we are also initiating '**Handle with Care**'. If your family is experiencing difficulties at home, we would like to provide as much support as we can at school. You can always book an appointment with Amanda if you would like to access support for your child/family when needed, however we understand that you might not always be able to share details and that's ok. If your child is coming into school after a difficult night, morning, or weekend, please email [messages@oswaldroad.manchester.sch.uk](mailto:messages@oswaldroad.manchester.sch.uk) with the **subject 'Handle with Care'** with as much or little detail that you would like to provide. This email address will be checked each morning and messages will be sent on to class teachers. Nothing else will be said or asked. This will just let us know that your child may need extra time, patience or nurture during the day.

Kind regards,

Donna Wealleans  
Deputy Headteacher
