

26<sup>th</sup> January 2022

Dear Parents/Carers,

## Year 1 Neil Armstrong Virtual School Visit

As part of our exciting topic next half term about the moon landing, we have arranged for a Virtual School Visit from Neil Armstrong. The company we use bring famous faces of the past to life with professional actors. Facts and fun guaranteed!

All Year 1 classes will receive a video call from Neil Armstrong, a truly inspirational man who made history when he walked on the moon.

Neil will talk you through his life and the determination and resilience he had to show.  
Hear about:

- **His childhood in Ohio and early interest in flying**
- **His experiences flying planes in the Korean War**
- **The day (2 days before Christmas!) when he found out he would be flying to the moon**
- **The terrifying moment before landing when they nearly ran out of fuel**
- **And of course, that 'one small step' that remains on the moon today**

The session includes 15 minutes of live, interactive performance followed by 15 minutes of questions and answers.

The virtual visit will be on **Wednesday 9<sup>th</sup> February** during school hours and the cost of the event has been covered by school.

Kind Regards,

Leanne Eldridge, Chelsey Daley, Sian Rice and Sophie Roberts (Year 1 Teachers)

**Inspiration & Success**
