

7th July 2022

Dear Parents/Carers,

Pick-Up & Drop-Off Arrangements

We are writing to let you know what the pick-up and drop-off arrangements will be for next academic year. As you will know, since the pandemic we have had different gates assigned to different yeargroups. Due to the current uncertainty around Covid and the potential for a rise in cases in the autumn, we have taken the decision to keep the gates as they are for next academic year. If we were to keep these timings going longer term (ie. into the 2023/24 academic year) we would first consult parents.

Please see the gate times and locations below. You will notice that Year 2 will have a slight change in pick-up time from this academic year- this is to ensure that timings of the day are in line with new school hours guidance for all yeargroups.

If we feel that we are in a position to relax these rules in the autumn term, we will do so, however this will depend on the Covid situation at the time.

Kind regards,
