

Oswald Road Primary School

Computing Home Learning Project – Coding

This half term, we would like you to develop your coding skills!

Here are a selection of websites that you can use to help you:

Many of you are already familiar with an Hour of Code. There are some excellent activities on their website:

<https://hourofcode.com/uk/learn>

Barefoot Computing have a range of activities. There are different options for children aged between 4 and 11:

<https://www.barefootcomputing.org/homelearning>

If you like using Scratch in school, then try this: <https://scratch.mit.edu/>

There are also lots of excellent YouTube tutorials which explain how to create certain Scratch projects. Here is one challenge you could try:

<https://www.youtube.com/watch?v=9TYA3XTpYGM>

Remember to post work onto Seesaw or send it to your child's class teacher via admin@oswaldroad.manchester.sch.uk

EYFS:

Follow a set of simple instructions to make a sandwich.

Key Stage One:

<https://blockly.games/>

Key Stage Two:

<https://education.minecraft.net/>
