Dear Parents/Carers,

## Operation Encompass

Our school is continuing to take part in Operation Encompass which runs in partnership with Manchester Safeguarding Board and Greater Manchester Police.

The project, Operation Encompass, has been designed to provide early reporting to schools of any domestic abuse incidents that occur outside of school but which might have an impact on a child attending school the following day.

A nominated member of school staff, known as a Key Adult, will be trained to liaise with the police. At Oswald Road Primary School our Key Adults are Donna Wealleans and Amanda Clifton. They will be able to use information that has been shared with them, in confidence, to ensure that the school is able to support children and their families. Information will be shared where it is identified that a child or young person was present, witnessed or was involved in a domestic abuse incident.

We always endeavour to offer the best support possible to our children and believe that Operation Encompass is going to be beneficial and supportive for all concerned children and families

Some information about Operation Encompass can be viewed on our school website or you can contact our Key Adults named above. <http://www.oswaldroad.co.uk/safeguarding/>

Thank you for your continued support,

Donna Whealleans (Deputy Head and Safeguarding Lead)  
Amanda Clifton (Pastoral and Family Support Manager)
