vaccination at the Moss Side  
Millennium Powerhouse, 140  
Raby Street, M14 4SL

**Friday 11 March, 11am to 4pm**

**No appointment needed. Free  
walk-in clinic for people aged 12+**

# Plus a health and wellbeing community fair

**Friday 11th March, 11:30 am to 3:30pm**  
**Moss Side Millennium Powerhouse, 140 Raby Street, M14 4SL.**  
**Lots of free activities, food and information stalls. Stalls include:**

**Care Navigators** will help guide you through what services, organisations and activities are available in your area. They also help coordinate services to ensure your needs are met.

**buzz Manchester Health & Wellbeing Service**

Discuss your neighbourhood and how you think local people's health and wellbeing can be supported.

**Ask a GP**

A local GP can answer any questions you have about vaccinations, protecting yourself from COVID-19 and about access to your medical practice.

**See reverse for many more stalls...**

# Health and wellbeing community fair stalls include

**Manchester Adult Education Service:** find free courses in maths, English, ESOL and digital skills.

**Healthy Start** provides help to buy food and milk for pregnant women or those with children under 4 in receipt of certain benefits.

**Mustafia Sharif:** Find out about local **community grocers and foodbanks**, and the activities they offer (education, health and more).

**BHA for Equality:** chat about any cancer screening or covid-related concerns and questions you may have.

**Caribbean and African Health Network** offer many services to support community wellbeing.

**Ethnic Health Forum** offer welfare rights and housing advice in Arabic, English, Kurdish, and Urdu.

**Groundwork** offer advice and support around energy and money saving in the home.

**The Powerhouse** will be there to let you know about all the youth and community activities happening.
