

STREET DANCE/TIK TOK CLUB IS BACK FOR **2022 !**

WE LOVE TO LEARN ARE DELIGHTED TO ANNOUNCE OUR STREET DANCE/TIK TOK CLUB IS RETURNING TO OSWALD ROAD ON FRIDAYS IN 2022!

Dancing isn't just a fantastic form of exercise that is amazing for your child's emotional well-being, it's also tons of fun!

The range of health benefits that comes with dancing are simply endless for your child (better flexibility, strength, healthy blood pressure, balance, coordination, physical strength and stamina, special awareness etc). But did you know that the emotional well-being benefits are amazing too? Firstly, your child will be entering a class with children outside of their peer group, which is excellent for socialisation skills, making new friends and team building! They will also be learning their own unique style whilst developing new skills - this is fantastic to boost your little one's confidence! Encouraging a love of dance from an early age can help motivate children to stay healthy and active – even as they grow into adults. As well as promoting overall health, enhanced development in these areas is brilliant for sports performance and other activities at school and beyond!

Our classes will be taught by your lovely dance instructor Kyra, who teaches dance and choreography with several years' experience. Kyra has worked on shows such as the Four O Clock Club, MTV, The Brit Awards and the Jingle Bell Balls musical - as well as choreography and dancing for music videos and festivals including Reading, Leeds and Wireless with Rapper AJ Tracey! The class your child will attend will start with warm up stretches which incorporate some lovely and relaxed yoga poses they can also use at home. Kyra then likes to keep little ones happy and motivated by playing a few games to pick up the pace. Then it's time to get those bodies groovin', learning some fun Tik Tok and street dance moves to the latest beats!

We will also be offering you a small show at the end of term / sending you a cute video so that you can enjoy watching your little ones in action... and so you can keep practicing those moves with all the family at home! (*Consent required)

This class is such a brilliant all-rounder - your child will be exercising and getting those endorphins flowing, whilst gaining new skills and an increased confidence throughout the term! So, let's get your little ones shaking and hit the dance floor!

We anticipate places to go quickly for this club as it is back by popular demand. Places are limited and allocated on a first come first serve basis so please don't delay booking to avoid disappointment.
