Dear Parents/Carers,

## Transition Morning

Dear Parents/Carers,

We have recently written to you about attending a transition event on Wednesday 20th July between 9-9.45am, ahead of the new academic year.

If you have multiple siblings in school and would like to attend all of their transition mornings, please inform the first class teacher you visit. You will be able to split your time between multiple sessions (within the 9-9.45am timeframe). Following your first session, someone will escort you to either the School Office (where you will be taken to your next transition session) or straight to the next classroom.

Many thanks,

School Office
