

Tuesday 4th October

Dear Parents/Carers,

Ancient Egypt Day – Year 4

On Thursday 13th October your child will be taking part in an Ancient Egyptian Day at school, in which they will participate in a host of activities centred around our current topic.

DRESSING UP

This is allowed, should your child wish to do so, but it is entirely up to them.

HOMEWORK

As part of the day, we will be hosting an Ancient Egyptian Museum in the afternoon. In order to stage this, we are requesting that children make an artefact to display. This could be a model of something, a piece of writing (in hieroglyphs, of course), a statue or any other item associated with ancient Egypt. We are asking the children to make a label for their work, explaining its significance. If families have any interesting pieces to hand, these will also be accepted, but nothing too valuable please!

Thank you for reading – we are looking forward to a wonderful day!

Kind regards,

Andy Wheeldon, Emma Calderbank and Luke McDonagh
