

YEAR 6 SATS

Introductions

Miss Beech, Miss Saleem, Miss Bennett and Mrs Gibson – available to talk about individual children.

Mrs. Woolf has said that she'll make herself available to discuss SEND children, readers and applications for extra time/additional arrangements. Please contact her to arrange a follow up meeting.

How are the children assessed?

There are two sorts of assessments:

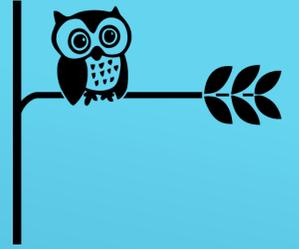

A) Teacher assessments

B) SATs Tests

What does teacher assessment involve and is it different from testing?

Teacher assessment draws together everything the teacher or teachers know about a child, including normal class lessons, observations, marked work and school assessments. Teacher will assess reading, writing, maths and science in this way.

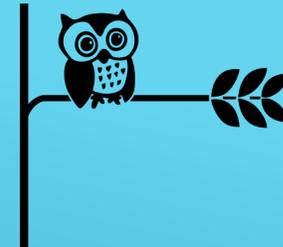

What are the SATs?

SATs are reading, maths and GPS (Grammar, punctuation and spelling) tests that are completed in May each year for Year 6 children across England.

All children sit the same tests – they have removed the additional ‘Level 6’ papers that some children would have been entered for and had to sit during the afternoons of SATs week

| Date | Test | Timings |
|-------------------------|---|-------------------|
| Monday 9 May | SpaG - English grammar, punctuation and spelling test, Paper 1 (short answer questions) | 45 minutes |
| | SpaG - English grammar, punctuation and spelling test, Paper 2, spelling | 20 minutes |
| Tuesday 10 May | English reading test | 60 minutes |
| Wednesday 11 May | Mathematics, Paper 1, arithmetic test | 30 minutes |
| | Mathematics, Paper 2, reasoning | 40 minutes |
| Thursday 12 May | Mathematics, Paper 3, reasoning | 40 minutes |

GPS (Grammar, punctuation and spelling)

This will consist of two parts:

1. **Grammar and punctuation paper** requiring short answers, lasting 45 minutes
2. **Oral spelling test of 20 words**, lasting around 15 minutes.

The grammar and punctuation test will include two sub-types of questions:

- **Selected response**, e.g. 'Identify the adjectives in the sentence below'
- **Constructed response**, e.g. 'Correct/complete/rewrite the sentence below,' or, 'The sentence below has an apostrophe missing. Explain why it needs an apostrophe.'

Sample Questions - GPS

Grammar, Punctuation and Spelling Paper 1

40

Tick one box in each row to show if the underlined conjunction is a **subordinating conjunction** or a **co-ordinating conjunction**.

| Sentence | Subordinating conjunction | Co-ordinating conjunction |
|--|---------------------------|---------------------------|
| I like ice-skating <u>and</u> roller-skating. | | |
| Jamie likes roller-skating, <u>but</u> he has never tried ice-skating. | | |
| Jamie will go ice-skating <u>if</u> I go with him. | | |

Grammar, Punctuation and Spelling Paper 1

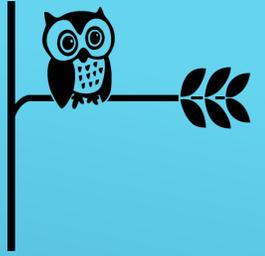

44

Underline the **verb form** that is in the **present perfect** in the passage below.

Rachel loves music and has wanted to learn how to play the piano for years. She was hoping for piano lessons, and was delighted when her parents gave her a keyboard for her birthday.

1 mark

Reading

The reading test will be a single paper with questions based on three passages of text. **Your child will have one hour, including reading time, to complete the test.**

There will be a selection of question types, including:

- **Ranking/ordering**, e.g. 'Number the events below to show the order in which they happen in the story'
- **Labelling**, e.g. 'Label the text to show the title of the story'
- **Find and copy**, e.g. 'Find and copy one word that suggests what the weather is like in the story'
- **Short constructed response**, e.g. 'What does the bear eat?'
- **Open-ended response**, e.g. 'Look at the sentence that begins *Once upon a time*. How does the writer increase the tension throughout this paragraph? Explain fully, referring to the text in your answer.'

Maths

Children will sit three papers in maths:

- Paper 1: **Arithmetic**, 30 minutes
- Papers 2 and 3: **Reasoning**, 40 minutes per paper

Paper 1 will consist of fixed response questions, where children have to give the correct answer to calculations, including long multiplication, division, fractions and percentages.

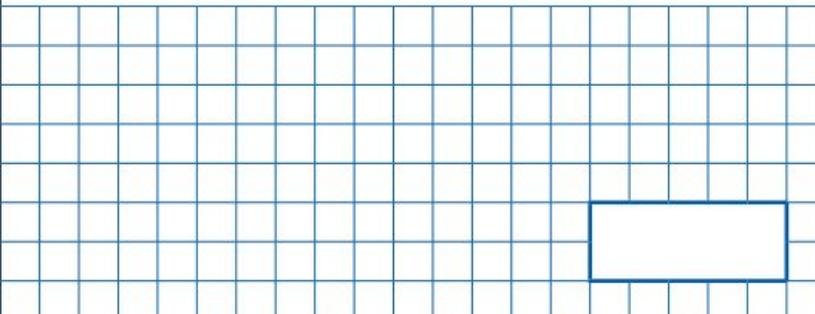

Papers 2 and 3 will involve a number of question types, including:

- Multiple choice
- True or false
- Constrained questions, e.g. giving the answer to a calculation, drawing a shape or completing a table or chart
- Less constrained questions, where children will have to explain their approach for solving a problem

16

Large pizzas cost £8.50 each.

Small pizzas cost £6.75 each.

Five children together buy one large pizza and three small pizzas.

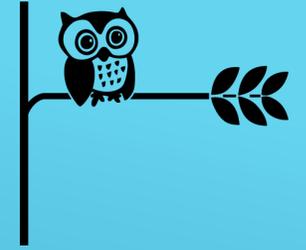

They share the cost equally.

How much does each child pay?

How we carry out the SATs

We acknowledge that this can be an anxious time for Year 6 so we have been helping them to prepare for these tests for some time so that they are familiar with the format, structure and layout. The staff have worked especially hard to try and ensure that the children are relaxed and able to do their best which, is all we ask of them.

- Children will be split into groups to do the tests, so they are not all in one big hall as this can be daunting.
- The staff organise this well in advance taking account of friendship groups, alongside organising which staff members are in which room.
- Readers and scribes are also organised well in advance.

What help can all children have during the tests?

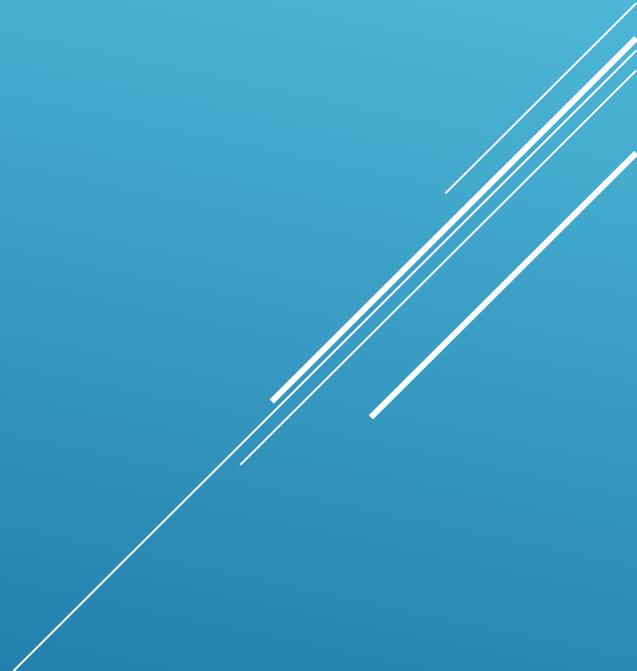

- In the reading test, children must read the text and questions by themselves, but some may have help recording their answers.
 - In maths, teachers can read a specific questions to any child who asks.
 - In the GPS test, children can ask for a specific questions read to them but nothing can be explained.
- 
- A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.

How will the SATS be assessed?

Each child will be given a **scaled score**.

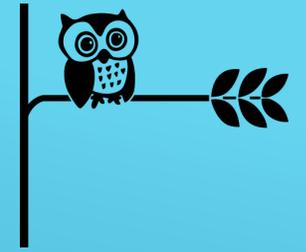

What is meant by 'scaled scores'?

- It is planned that **100** will always represent the '**National standard**'.
- Each pupil's raw test score will therefore be converted into a score on the scale, either **at, above** or **below 100**.
- A child who achieves the '**National standard**' (a score of 100) will be judged to have demonstrated sufficient knowledge in the areas assessed by the tests.
- In July 2022, each pupil will receive:
 - ✓ A raw score (number of raw marks awarded).
 - ✓ A scaled score in each tested subject.
 - ✓ Confirmation of whether or not they attained the national standard.

- A child awarded a scaled score of **more than 110** is judged to have exceeded the national standard and demonstrated a higher than expected knowledge of the curriculum for their age.
 - A child awarded a scaled score of **less than 100** is judged to have not yet met the national standard and performed below expectation for their age.
- 

How to Help Your Child

- First and foremost, support and reassure your child that there is nothing to worry about and they should always just try their best. Praise and encourage!
- Make sure your child has a good sleep and healthy breakfast!
- Toast and healthy snacks will be offered in the Y6 classrooms for any children that would like to come into school for a free breakfast club anytime from 8.30am onwards.

After the tests, there will be an extended play.

There are opportunities during the day to do work and also more relaxing activities.

Revision Guides

- Some parents inquired about revision guides and these are some that we recommend:
- CGP revision guides available at https://www.cgpbooks.co.uk/Student/books_ks2_maths
- Scholastic revision guides available at <https://shop.scholastic.co.uk/products/101816>
- Collins KS2 Sats revision available at <https://wordery.com/collins-ks2-sats-revision-and-practice-new-curriculum-year-6-maths-targeted-practice-workbook-ks2/>
