

## Becoming a Trauma Informed School

elearning.creativeeducation.co.uk

We are continuing to strive to become a Trauma Informed school, one that is able to support our children and families who suffer with trauma or mental health problems and whose troubled behaviour acts as a barrier.

### Young Carers

We will also be working on the support we provide for our Young Carers.

# Stay Safe

2022-23

## Safeguarding

- Providing continued CPD around current issues especially Peer on Peer abuse and keeping safe online.
- To ensure that current guidance and legislation is embedded into our Curriculum.
