Dear Parents/Carers,

Mrs Murray

We are writing to share with you the sad news that our Music & Performance Lead, Mrs Murray, will be leaving Oswald Road at the end of this term due to a change in career.

Over the summer Mrs Murray trained and qualified as a professional celebrant. She conducts funerals, weddings, naming ceremonies, renewal of vows and all sorts of celebrations. She didn't expect this role to take off as quickly as it has and as much as she loves Oswald Road and everyone in it, she is already starting to be in demand as a celebrant. After thirty years of teaching, she feels it's time for her to develop this new role. Her email for her new role is midgethecelebrant@yahoo.com if any Oswald Road families ever wanted to book her for their event!

A separate letter has been sent out to Mrs Murray's Year 5 class to let them know cover arrangements, and we currently have an advert out for a Music Teacher to work the three days a week she would usually teach music in school. As soon as we have secured this replacement we will let you know.

Kind regards,

Deborah Howard
