Dear Parents/Carers,

Duckling Experience

Our Reception children will benefit from a duck hatching experience this Spring. The eggs will arrive with us on 21st March and the children will be able to observe the changes to support their learning around the lifecycle of a duck. The ducks will stay with us until they return to the farm on 31st March.

A contribution of £3.50 per child to help cover costs would be appreciated. If we do not receive sufficient contributions, the experience may have to be cancelled. Please make payments using Parent Pay.

Many thanks,

Reception Teachers
