Dear Parents/Carers,

## Year 1 Neil Armstrong Virtual School Visit

As part of our exciting topic next half term about the moon landing, we have arranged for a virtual school visit from Neil Armstrong. The company we use bring famous faces of the past to life with professional actors. Facts and fun guaranteed!

All Year 1 classes will receive a video call from Neil Armstrong, a truly inspirational man who made history when he walked on the moon.

Neil will talk through his life and the determination and resilience he had to show. We will hear about:

- His childhood in Ohio and early interest in flying
- His experiences flying planes in the Korean War
- The day – 2 days before Christmas! - he found out he would be flying to the moon
- The terrifying moment before landing when they nearly ran out of fuel
- And of course, that 'one small step' that remains on the moon today

The session includes 15 minutes of live, interactive performance followed by 15 minutes of Q&A.

The virtual visit will be on **Friday 3<sup>rd</sup> March** during school hours. A contribution of £2.00 to help cover the cost will be appreciated. A Parent Pay item will appear on your account. If we do not receive sufficient contributions the event may have to be cancelled. If your child is entitled to Pupil Premium, you are entitled to the event being funded by school.

Kind regards,

Hayley Craven, Leanne Eldridge, Chelsey Daley, Richard Farrow & Olivia Daly  
Year 1 Teachers
