

Wednesday 1<sup>st</sup> March

Dear Parents/Carers,

## Year 2 SATS Meeting

I will be holding a Year 2 SATs meeting for parents/carers on **Wednesday 29<sup>th</sup> March at 8.50am**. The purpose of the meeting will be to explain the tests your children will be doing later in the year. On the day, please come to the main office and you will be directed into the hall, where the meeting will take place.

During May this year your child will complete tests in two subjects, maths and reading, and their writing will also be assessed against a national standard set by the government. These tests are statutory, which means we have to administer them (as directed by the Department for Education). I will share test materials, our approach at Oswald Road and how you can help your child during this process.

I look forward to seeing you there. In the event you cannot make the date, I can answer specific questions by email via [inbox@oswaldroad.manchester.sch.uk](mailto:inbox@oswaldroad.manchester.sch.uk).

Kind regards,

Richard Farrow  
Assistant Headteacher Years 1-3
