NEW: Comedy Club at Oswald Road Primary with Big Comedy Shop

Hello from Big Comedy Shop!

Please have a watch of this video telling you and your children about what we do at Big Comedy Shop and what to expect at our After School Comedy Club.

<https://vimeo.com/808362144>

At Comedy Club we use comedy to access children's voices through improvisation and creating comedy sketches. We focus on the creations, imagination, and observations of our students.

The aims of our sessions are to:

- provide a safe space for creativity and play
- develop communication and social skills
- build self-esteem
- enhance confidence
- allow children to feel seen and heard
- make our students feel like they matter
- HAVE OODLES OF FUN!

Through learning comedy improvisation skills and performance techniques, students create their own comedy characters and sketches. Improvisation forces us to be in the moment - a great tool for mindfulness.

Comedy Club sessions are high energy, fast paced and all inclusive: they are as much about working as a team as they are about self-expression.

Our classes are fantastic for all children. If your child has already taken part in our clubs this is perfect as the clubs follow a curriculum that changes each term – continuing to attend our clubs will also reinforce learning as children learn best through continuation and repetition! Our classes are designed to be attended throughout the academic school year – so they are great for new and previous club members alike!

Please Note All bookings must be made in advance and prior to term starting. The course can only run subject to a minimum sign up – for this reason, please do not rely on the class for childcare – and make sure to tell all your friends and please spread the word to your parent groups! We reserve the right to turn away students who disrupt class. Fees are non-refundable.

Please Note When you book via Parent Pay, this automatically gives We Love To Learn permission to add you to a contact/email list to be used for updates and also, about your child's progress. Troupers Drama Clubs have been providing children with a safe space to explore their imagination, develop their creative voice, learn to collaborate with anyone and everyone and have fun doing it – since 2008.

Each week the Troupers play the best theatre and improv games around (games like The SuperMegaGame, Triple Threat and Thunderdome!), and then – as if by magic – use them to create their very own characters, stories, and scenes! Expertly guided by professional improvisers, actors, directors and theatre makers, Troupers provides a framework through which each group has ownership over their own unique adventure.
