

May 2023

Dear Parents/Carers,

Insight Assessment Reports

Starting this academic year, we will be providing a termly print-out of each child's assessment report from 'Insight', our online pupil assessment tracking tool, which will show exactly how your child is doing based on in-class assessments done by the teacher. This will be in addition to parent's evenings and the usual end of year report.

There will be an explanation on the sheet about how to interpret your child's data, but if you have any further questions please email deborah.howard@oswaldroad.manchester.sch.uk.

These sheets will be sent home as a hard copy in your child's book bag at some point this week. If you require an additional print-out (e.g. if parents do not live together), please email admin@oswaldroad.manchester.sch.uk.

Kind regards,

Deborah Howard

Headteacher
