

Wednesday 3rd May

Dear Parents/Carers,

LGBT+ /PRIDE Month Project

As part of PRIDE month in June, we would like to ask the children to complete an **optional** LGBT+ project at home. This could be to raise awareness, to promote PRIDE or just a general LGBT+ themed piece of work.

Pride month is all about acceptance and equality. We celebrate the work of LGBT people: their positive impact on our shared history; community and future.

The home project could be a poster, a slideshow, a piece of art, a montage of pictures, a poem, a story or anything creative you can think of!

We would like to display some of these pieces of work around school or publish them on social media so we look forward to seeing what our amazingly creative children can produce.

Please could these be emailed to communications@oswaldroad.manchester.sch.uk or sent in to class teachers by Friday 30th June.

Enjoy!
