

have also been a huge source of support and a great sounding board for us which has been so above and also a great asset.

couldn't be more appreciative - thank you for everything.

Very best wishes,

Clare & Jon

Dear Helen,

We would like to say our biggest & best thank you for everything you have done to ensure that Benjamin has had the best experience possible at Oswald Road. It makes us so happy & proud to have seen his journey from starting school nursery as a toddler to the boy he now is, ready for the challenges & excitement of high school from the very outset you have been unstinting with your knowledge, experience & dedication and your contribution has made a huge difference to Benjamin - educationally, socially & in terms of his self-esteem & confidence. Every single day he has enjoyed coming to school, a very happy & well supported learner and the benefits of that will be life-long.
