

Writing:

Further embedding and revising of the Writing Curriculum, including cross-curricular writing.

Consistency in approach of Shared Writing and Guided Writing.

Reflection on our handwriting and spelling schemes, impact and any changes needed.

Continued moderation opportunities.

Science and Foundation Subjects Assessment:

Development of end of unit check-in assessments.

Effective use of end of unit check-in assessments.

Teaching and Learning:

Evidence and research based CPD for all staff on effective Teaching and Learning strategies.

Development of quality interactions and quality engagement in Continuous Provision.

Further curriculum development:

Development of subject knowledge and quality of leadership where the subject leads are newer to the curriculum area.

Strengthening of curriculum design for the subjects which are less developed compared to school's stronger curriculum areas.

Development in the quality of implementation of the subjects which are less-confidently taught consistently across school.

Implementation of in-house wraparound care

Effectively implement in-house wraparound care.

Three-year target: developed number of places offered, leading to an offer of wraparound care for all.

Staff welfare

Implementation of welfare plan following welfare meetings in spring and summer terms of 2022-23.
