Manchester City Council are working in collaboration with Ygam, an award winning charity, to offer fully funded, City & Guilds assured training and free awareness sessions on gaming and gaming harms in children and young people.

Join us online for these exciting, informative sessions. Below you will see several programmes running that cover a multitude of roles. Feel free to find the workshops that suits your role best and sign up!

Places are limited therefore we advise to book early as places will be allocated on a first come basis to avoid disappointment.
