Dear Parents/Carers,

## **Revision Homework for Year 6 Pupils**

Dear Parents/Carers,

As we approach the upcoming SATs assessments, I wanted to remind you about the weekly revision homework, set via Doodle for your children.

Weekly revision homework will be set on Doodle, an engaging online platform designed to support learning across various subjects. This approach aims to provide targeted revision in key areas of the curriculum, ensuring that your child is well prepared for the SATs examinations.

The revision exercises will cover essential subject areas such as mathematics, with a focus on times tables, as well as grammar, spellings, and comprehension. The interactive nature of Doodle's resources will assist your children in consolidating their knowledge and honing their skills in these specific areas.

It is important to note that your children have been previously provided with their login details for Doodle. These credentials allow them to access the platform and engage with the revision materials at their own pace. Should your child require additional support or encounter any difficulties with accessing Doodle, I encourage you to reach out to their class teacher for further assistance.

Furthermore, I want to reassure you that the class teacher will have the ability to monitor your child's engagement with the platform.

Should you have any questions or require further information regarding the weekly revision homework on Doodle, please do not hesitate to contact the school. Your continued support and involvement in your child's education are greatly appreciated.

Yours sincerely,

Jen Beech

Assistant Headteacher  
Oswald Road Primary School
