

19th March 2024

Dear Parents/Carers,

World War Two Escape Room

On **Monday 22nd April**, the Year 5 children will take part in a World War Two themed 'Escape Room' activity in school. This is an immersive learning experience that promotes problem solving, logical reasoning and teamwork. It will also help the children to understand what the life of a child would have been like during the war.

In order to facilitate this excellent learning opportunity, we are requesting a contribution of **£7.50** per child towards the cost. A Parent Pay item will appear on your account and from here we also ask that you provide consent to take part. If we do not receive sufficient contributions the workshop will have to be cancelled. If your child is entitled to free school meals, you are entitled to the workshop being funded by school.

Kind Regards,

Miss Calderbank, Miss Cawley and Mr Wheeldon
