## NET BUSTERS

We are pleased to announce that Net Busters will be returning with Mr Larkin on Wednesdays. This football academy provides children of varying ages with a positive football experience. Net Busters helps to build a pathway from fundamental skill-based learning to fun, competitive football league structures. We hope to have enough sign ups to create a really exciting football league as the club begins to build momentum.

## SOPHIE ROBINSON

Arts Lead, Creative Owls

Hi, I'm Sophie and I am the Arts Lead for Creative Owls. I have been based in Bristol for the last few years and am really excited to be joining the team here at Oswald Road Primary School. Drama and music are my passions and I'll be using my experience as a theatre maker and teaching assistant to create fun, inclusive spaces for children to express themselves and try new things!

## DANIEL LARKIN

Sports Coach

Hi, I'm Daniel, some may know me as Mr. Larkin, the teacher that does PE. I have been working at Oswald Road since June 2024 and have loved every second. I have been working in PE in schools for 9 years after getting my degree in Sports Science and Coaching. I am an avid football fan but enjoy any sport to play or watch. I enjoy films, series and mostly video games when I am not working. I am looking forward to hopefully introducing a number of new sports to your children through the clubs and can't wait to see who turns up.

## **SNACKS ARE ALL PART OF THE FUN**

Following on from all the activities, the children will take a short break at 4.30pm. They will be provided with a light snack, suited to their dietary needs. Please note that the snack provided is not a substitute to a main dinner.

## **WEEKLY TIMETABLE/PRICING**

You can choose to book your child on one or more session throughout the week. Each session/day costs £10 and is bookable and payable by term. For example, if there are 6 weeks in a term, the cost will be £60 via School Spider, per session/day selected.
