!!! Attention to all creative and innovative children!!!

Have you ever wondered what it would be like to design a building in school? Do you know what an architect does? Do you have any wild ideas for transforming buildings?

Whether you are an artist, a hands-on maker, or a design whiz, this workshop is made for **YOU!!!** Over the two exciting days, we will ignite creativity and dive into world of architecture, explore endless possibilities, and work together to create amazing design.

So, could architecture be your future job? Let's build something incredible, brick by brick, piece by piece, and most importantly, enjoy and have fun while doing it!!!
